2022 RETIRED MINISTERS QUESTIONNAIRE

***** This Report is for Ministerial Activity in the Year 2021 *****

Deadline for Return: Postmarked by February 28, 2022

By-Law 1 Section 5.5 (i) states that ordained pastors having attained the age of 60 years or older, and who choose to retire from active ministry, shall notify the National Office of their intentions to retire and are required to fill in this annual retired pastor's questionnaire on an annual basis.

*Retired Ministers are **NOT** required to send in a credential renewal fee. **But please note the following changes to this year's questionnaire:***

You are required to send in an annual retired minister's questionnaire if you wish to retain credentials and/or have the privilege to marry in your province. If the National Office does not receive an annual questionnaire, we will assume that you no longer wish to be on our mailing list or wish to retain your credentials and your name will be removed from our mailing list and the provincial registry.

You are also required to send in a police check or vulnerable sector check (depending on what ministry you are involved in) to the National Office every three years. This is required from our insurance provider.
